Hooray! Baby To Rule the House

No Longer Do Women Fear The Greatest of All Human Blessings.

It is a joy and comfort to know that those much-talked-of pains and other distresses that are said to precede child-bearing may easily be avoided. No woman need fear the slightest discomfort if she will fortify herself with the well-known and time-honored remedy, "Mother's Friend."

This is a most grateful, penetrating, external application that at once softens and makes pliant the abdominal muscles and ligaments. They naturally expand without the slightest strain, and thus not only banish all tendency to nervous, twitching spells, but there is an entire freedom from nausea, discomfort, sleeplessness and dread that so often leave their impress upon the babe.

The occasion is therefore one of unbounded, joyful anticipation, and too much stress can not be laid upon the remarkable influence which a mother's happy, pre-natal disposition has upon the health and for-

tunes of the generation to come. Mother's Friend is recommended only for the relief and comfort of expectant mothers, thousands of whom have used and recommend it. You will find it on sale at all drug stores at \$1.00 a bottle. Write to-day to the Bradfield Regulator Co., 130 Lamar Bldg.,

HELPLESS AS BABY

Down in Mind Unable to Work. and What Helped Her.

Summit Point, W. Va.—Mis. Anna Belle Emey, of this place, says: "I suf-fered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but with-out success. I suffered so very much, that I became down in mind, and as help-less as a baby. I was in the worst kind of shape. Was unable to do any work.

I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 botties, my health was completely restored. I am now 48 years years old, but feel as good as I did when only 16.

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do If you suffer from any of the ailments worth your while to give Cardui a trial.

It has been helping weak women for more than 50 years, and will help you, Try Cardui. Your druggist sells it.
